

RCL – For Excellence In Reliability

RCL

**Reliability
Consultancy
Limited**

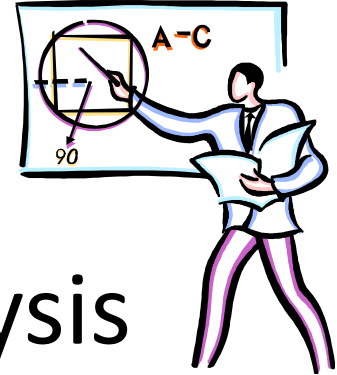

Proud to
be members
of the

National
Microelectronics
Institute

Bespoke Training

Classroom / Virtual Classroom

- Design for Reliability / Analysis
- Theory and Practice of Stress Tests
- Knowledge Based Qualification
- Real Environment based Assurance

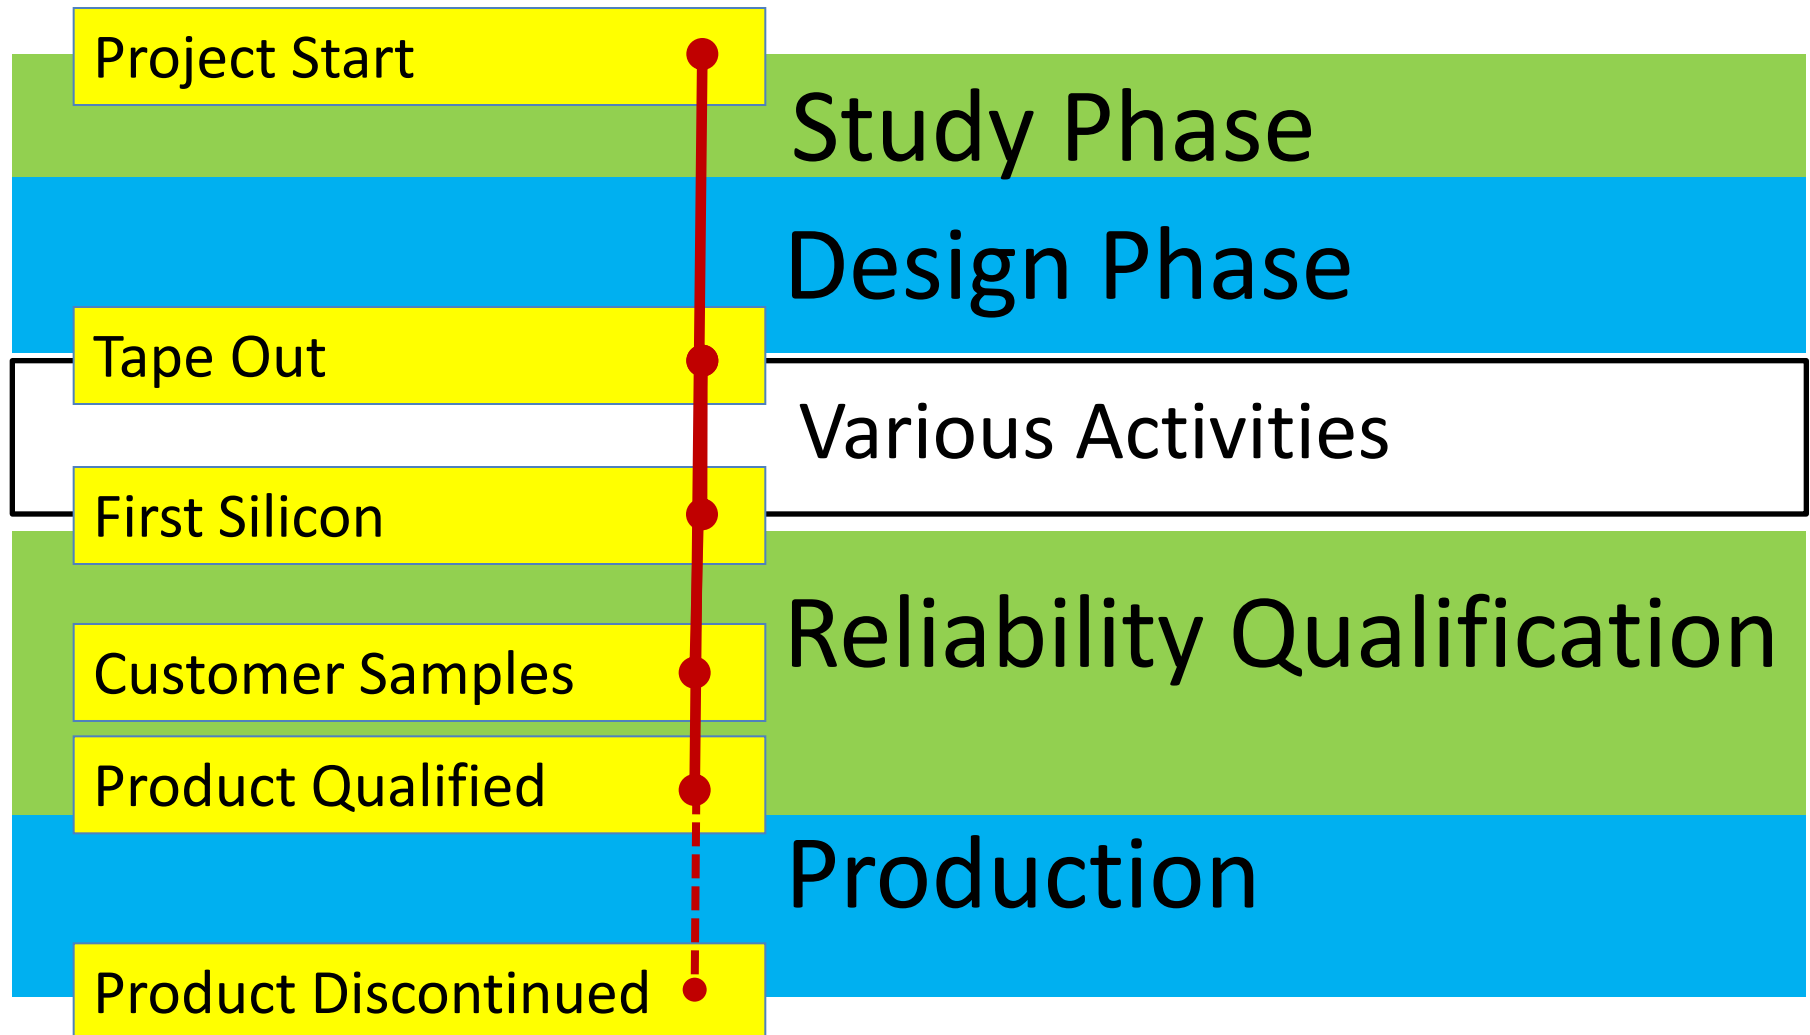

Consultancy

Insightful approach based on
25 years experience :

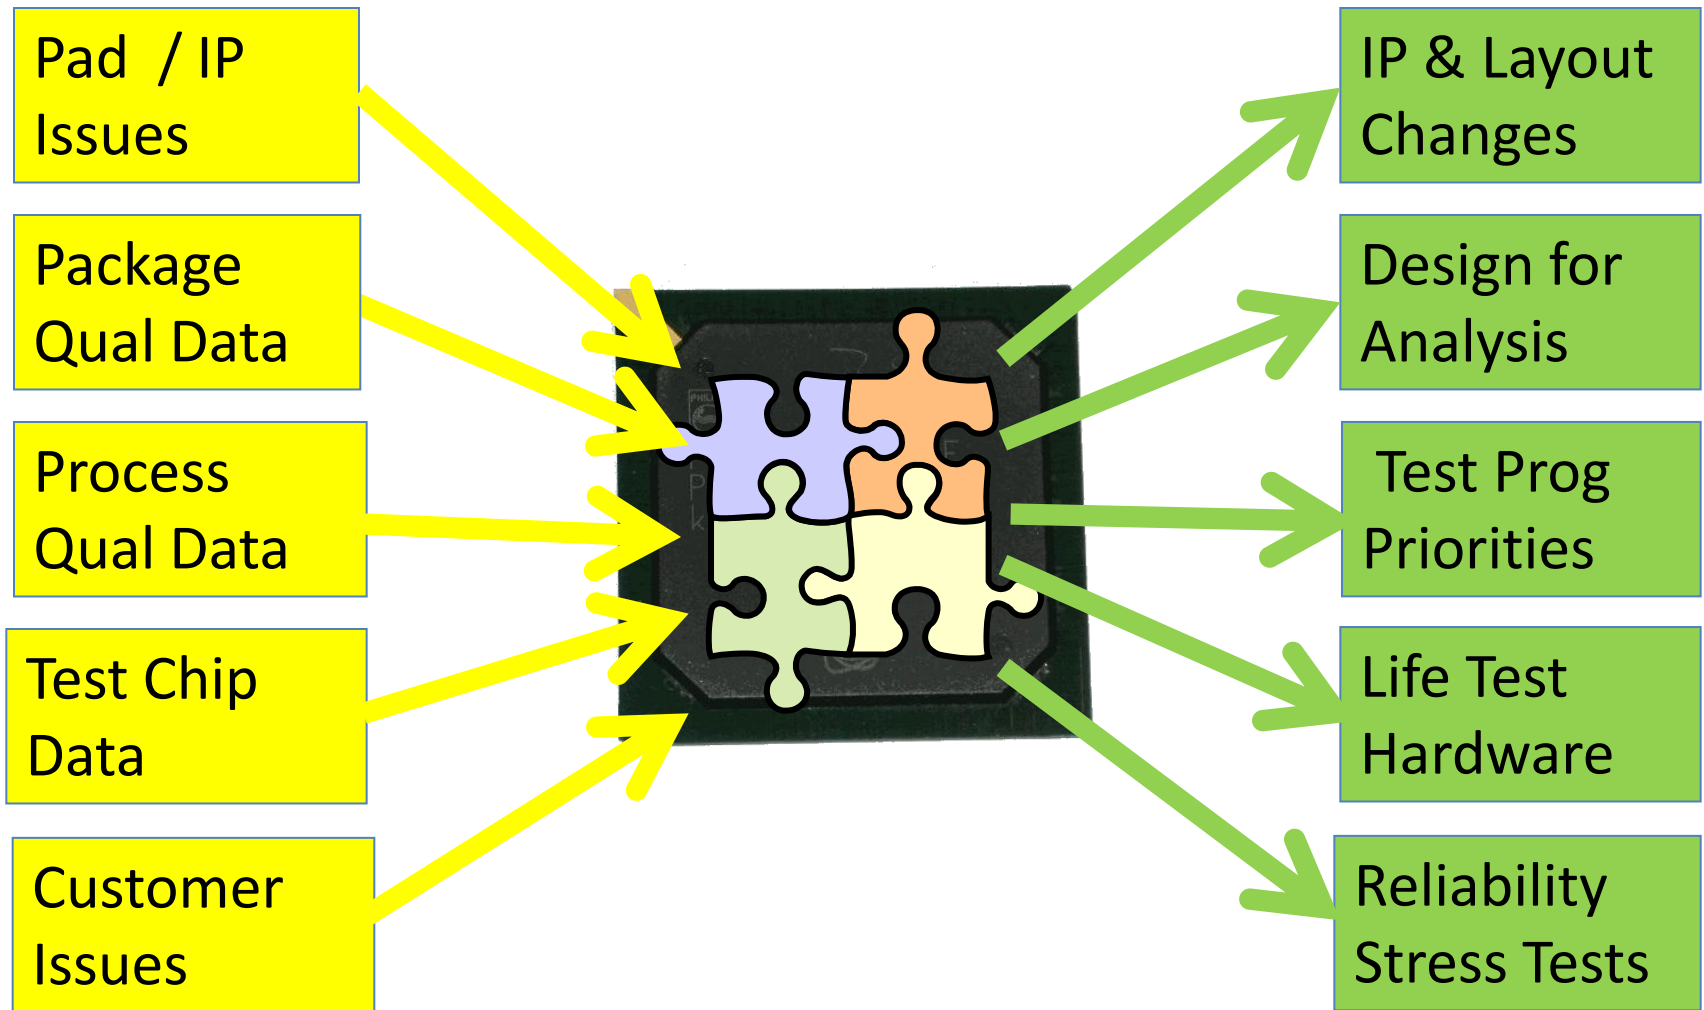

- Troubleshooting
- Failure Analysis Consultancy
- Design to Manufacture

From Design to Manufacture

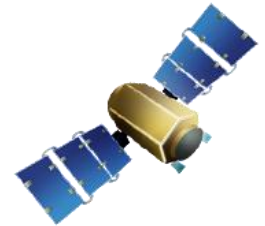

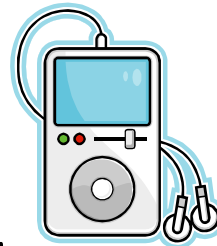

Knowledge Based Approach

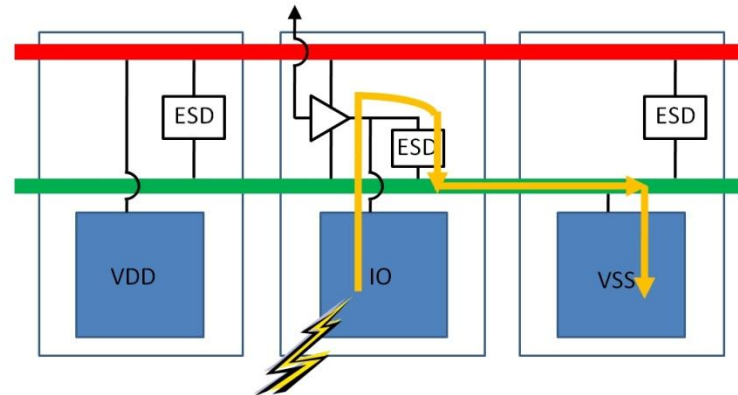

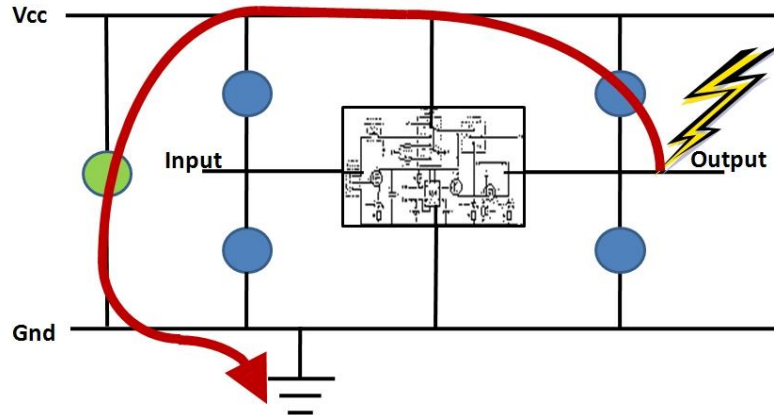

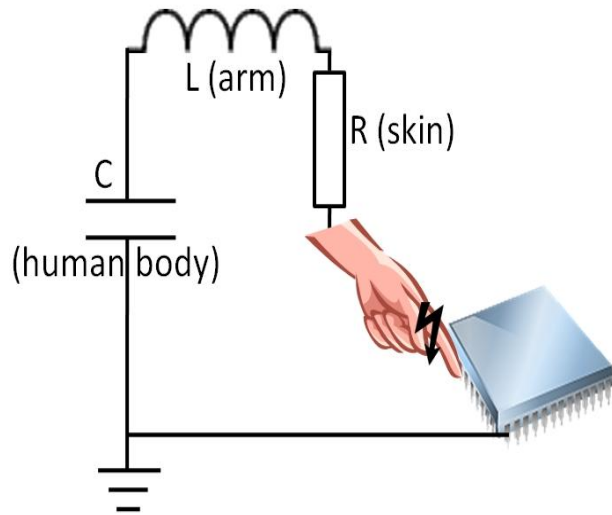

Real Environment Based Assurance

Relevant to Application Conditions

- Transport / Handling
- Power On Hours / Field Lifetime
- Power Cycles / %RH / Temp Range
- T_j / Operating Voltage

ESD Improvements
